INCOME TAX CREDIT ALLOWANCE - 1981

During 1983 the Tax Policy Division of Alberta Treasury provided information, obtained from Revenue Canada, Taxation and Alberta Corporate Tax Administration, concerning the 1981 income tax credits for political contributions allowed to individual and corporate taxpayers who paid Alberta Income Tax.

Although the following information is now two years after the fact it may be useful for future comparison purposes:

- Total 1981 contributions to registered parties $995,694.
- Total 1981 contributions to registered Constituency Associations $ 82,525.
- •• Total 1981 Provincial Income Tax Credit Allowed $368,372.

Three factors should be kept in mind when reviewing this information. Firstly, the taxpayers do not receive any income tax credits unless they submit an official receipt for the contribution; secondly, if there is no Alberta income tax payable no income tax credit is allowed and thirdly, the amount of income tax credit allowed is based on a declining percentage calculation of the total contribution. Consequently, a direct percentage comparison of the income tax credit allowed to the total amount contributed should not be made.

PUBLIC RECORDS - DISPLAY FILES

The public display files which record information concerning political financing of registered political organizations in Alberta now contain records for five consecutive calendar years including the 1979 and 1982 General Elections and the two By-elections held since January 1, 1978. Interest in examining these records increased substantially on the dates immediately after the registered candidates and parties filed the required campaign period financial statements. However, the primary use of these records is made by the news media, students and members of political organizations.

VISITS - CONFERENCES

Annual Election Officers Conference

The 1983 Conference of Canadian Election Officers and Election Finances Officers was held in Halifax, Nova Scotia, July 19-21, 1983. I and my Deputy, Mr. Pat Ledgerwood, attended to represent Alberta. The Canada Election Office, Ottawa, and all provincial jurisdictions except Prince Edward Island were represented. No representatives attended from either the Yukon or The Northwest Territories.

The 1983 Conference dealt in general with problems encountered throughout all jurisdictions and in particular the prohibitions on prisoner voting, absentee voting procedures, and voting by patients in treatment centres and mental health institutions. Each of these areas was explored particularly with reference to possible challenges under the Canadian Charter of Rights.

The sharing of ideas and problems between jurisdictions at these annual conferences continues to be most useful.

The 1984 Conference will be hosted by Manitoba at Winnipeg in July 1984.

Council on Governmental Ethics Laws - U.S.A.

The 1983 Ethics Council Conference held in Montgomery, Alabama, December 7-9, 1983 was well attended by States representatives. In addition to this Office, representatives from the Canada Election Office, Ontario Election Office, Ontario Commission on Election Contributions and Expenses and the Quebec Elections Office attended.

The conference, hosted by Mr. Melvin Cooper, Executive Director, Alabama Ethics Commission, included some excellent panel discussions on election laws and election financing and ethics. One of the highlights of the meeting was a luncheon address by Alabama Governor, George Wallace.

The 1984 Conference is scheduled for the first week of December in Seattle, Washington.

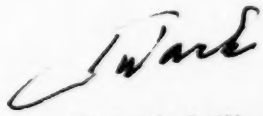
SUMMARY

This Office continues to provide information on all aspects of the Act to individuals and groups involved in the formation of a new political party and the registration of that party under the Election Finances and Contributions Disclosure Act. This is in addition to the on-going briefings and consultations with the Chief Financial Officers of the Registered Parties and Registered Constituency Associations.

All Registered Parties and Registered Constituency Associations continue to demonstrate their sincere intention to fully comply with the requirements of the Act. One of the most important elements in this process is the Chief Financial Officer. I believe this Report would not be complete if it did not include a tribute to Chief Financial Officers, particularly the Chief Financial Officers of the Constituency Associations and Candidates, who serve voluntarily and without financial compensation with full responsibility for ensuring that the records keeping and reporting requirement of the Act are complied with. The dedication displayed by the majority of these Chief Financial Officers in completing their duties is most commendable and makes an immeasurable contribution to the successful operation of this Office.

In submitting this Report I wish to express my sincere thanks to all of the representatives of the Registered Political Parties and the many hard working volunteers throughout the Registered Constituency Associations for the co-operation and assistance provided to this Office during 1983. In addition, I wish to record my appreciation to the many interested citizens of Alberta who have phoned, written or visited this Office to provide their personal input, and also to my most competent and dedicated staff for their efforts in ensuring that the responsibilities of the Chief Electoral Office were effectively met during 1983.

All of which is hereby respectfully submitted,



Kenneth A. Wark
Chief Electoral Officer

Dated this 3rd day of February, 1984.
